

tanGO™

The world's first tan
removal cloth.

tanGO is the World's first spray and self tan removal cloth....

NO harsh chemicals, just add water. tanGO removes tanning errors and helps keep your tan looking perfect for longer.

tanGO is a specially formulated polyamide cloth, which gently removes the tanning pigment from the surface of your skin without all the harsh scrubbing or the use of chemicals. Perfect for use with self tan or spray tans.
